Languages & Frameworks: HTML5, CSS3, JavaScript, React, PHP, MySQL, Python, Java, PHP

Tools & Platforms: Git, GitHub, Figma, Adobe XD, Photoshop, Illustrator

Practices & Concepts: Agile/Scrum, SDLC, Responsive Web Design, UI/UX Design, Database Management, IT Support & Troubleshooting

Soft Skills: Problem Solving, Team Collaboration, Communication, Attention to Detail, Fast Learner, Time management, Leadership

PROFESSIONAL EXPERIENCE

IT Support Trainee | BSYS – Tally Prime

November 2025 – December 2025

- ▶ Delivered first-line technical support for accounting and ERP software (Tally Prime), resolving software errors, login issues, and data synchronization problems.
- ▶ Performed software installation, configuration, and system updates on client machines, ensuring minimal downtime.
- ▶ Diagnosed and resolved network, application, and OS-related issues, improving system reliability for end users.
- ▶ Provided end-user training on accounting software functions, enhancing client self-sufficiency.

POS Systems Operator | The Big Square

February 2025 – October 2025

- ▶ Operated and maintained point-of-sale (POS) systems, processing high-volume transactions across cash, cards, and mobile payment channels.
- ▶ Reconciled daily sales data and prepared end-of-day transaction reports, demonstrating accuracy in data handling.
- ▶ Resolved customer-facing technical issues with the POS system promptly, maintaining service continuity.

Web Developer Intern | Genemarks Designers

March 2024 – July 2024

- ▶ Built and maintained responsive websites and web applications using HTML5, CSS3, JavaScript, and React, collaborating directly with senior developers.
- ▶ Supported back-end integration with PHP and MySQL, improving dynamic content delivery and database-driven features.
- ▶ Translated UI/UX wireframes and mockups into fully functional, pixel-perfect web pages.
- ▶ Leveraged Git and GitHub for version control, contributing to team repositories and participating in code reviews.
- ▶ Participated in daily stand-ups and sprint reviews as part of an Agile development cycle.
- ▶ Debugged and performance-optimized code across multiple projects, improving site load times and responsiveness.

Junior Graphic Designer | [Phloem Media](#)

January 2022 – May 2022

- ▶ Designed UI mockups, promotional graphics, and branded digital assets for tech audiences using Figma, Adobe XD, and the Adobe Creative Suite.
- ▶ Collaborated with the development team to create intuitive UI elements, improving user navigation and interface consistency.
- ▶ Contributed to rebranding efforts for two tech startups, delivering logos and style guides aligned with modern design trends.
- ▶ Recognized by the creative lead for high-quality output delivered under tight deadlines and rapid feedback cycles.

EDUCATION

Bachelor of Science in Software Development

First Class Honours

KCA University | 2019 – 2024

Kenya Certificate of Secondary Education

Grade - B

St. Joseph's High School, Kitale | 2015 – 2018
